

2019 PICTURE SCHEDULE

Listed below is the 2019 picture schedule. Dancers will have group photos taken for our year end spring dance program along with individual photos in each of their costumes. Arrive at your scheduled time. You will have approximately fifteen minutes to get into your first costume. The time estimate is our best guess as to how long it will take to complete this task for each dance class.

Costumes will be distributed for all younger recreational classes (classes meeting once weekly) the week of April 15th-20th at the conclusion of class. Parents in creative movement, preschool, and K/1 classes will also have an opportunity to come into class that week and video their child's dances along with their teachers demonstrating the choreography as well. This makes for a great practice tool as we approach show time.

All once weekly recreational class dancers will need to stop at the front desk as they arrive for their scheduled photo shoot to pick up the accessory packet which will include any tights, headpieces, shoe bows, socks, etc. (pick-up will begin five to ten minutes prior to your scheduled arrival time). Dressing rooms will be assigned and labeled with your specific weekly class time. A parent will need to stay with all younger dancers to assist them in changing costumes and keeping all belongings together.

Individual and group photo packages are printed for all dancers who fill out a form and express an interest in purchasing them. Packages will be available for purchase beginning the week of May 6th. (Photos taken Monday April 22nd will be ready on Monday 5/6, photos taken Tuesday April 23rd on Tuesday 5/7, etc.).
